**LinkedIn Profile:** www.linkedin.com/in/may-thu-pike-soe-181734246

**Apply for the Position: Junior Web Developer**

## CAREER OBJECTIVE

- To become a professional developer
- To get a better opportunity

## INTRODUCTION

I'm preparing to get a Web Developer job. I have developed some projects with html, css, javascript, reactjs, bootstrap and tailwindcss. Although I'm at the beginning of my web development journey, my enthusiasm for coding and creating meaningful projects drives me forward. I'm actively seeking opportunities to contribute my skills to real-world projects and expand my knowledge.

## EDUCATION BACKGROUND

- **Education**: Bachelor of Engineering (Electronics & Communication), Technological University (Sagaing)
